

**By signing this contract, Riemersma Leasing, with its headquarters at 's Hertogenbosch, the Netherlands, proves itself a frontrunner in procurement of far more fuel-efficient cars, thus contributing to passenger car CO<sub>2</sub>-reductions beyond what is legally required by European law.**

Stichting Natuur en Milieu, represented by Maarten van Biezen, teammanager Mobility and Spatial Planning, on behalf of the European Cleaner Car Contracts project group, is pleased to welcome Riemersma Leasing to the European Cleaner Car Contracts programme.

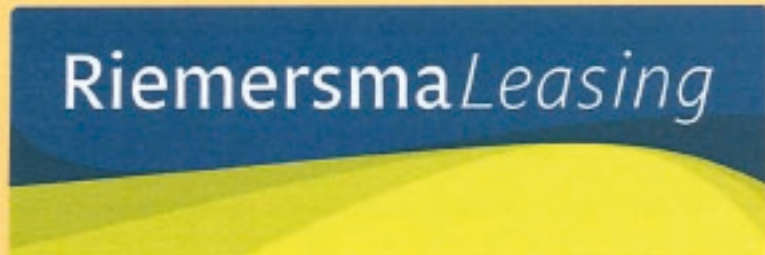

Riemersma Leasing, represented by Rob Gielens, Director, joins the Cleaner Car Contracts programme from the Netherlands. Riemersma Leasing pledges to improve the fuel-efficiency of its passenger fleet. To this end, Riemersma Leasing will strive to reduce the fleet average CO<sub>2</sub>-emissions of its newly acquired fleet of 2012 to 130 grams of CO<sub>2</sub> per kilometre (gr CO<sub>2</sub>/km). Riemersma Leasing is therefore awarded the Cleaner Car Contracts Silver Fleet status.

Both parties adhere to the requirements listed in the Annex.
