

By signing this contract, Volkswagen Leasing, with its headquarters at Milan, Italy, proves itself a frontrunner in procurement of far more fuel-efficient cars, thus contributing to passenger car CO₂-reductions beyond what is legally required by European law.

Terra! represented by Dr. **Daniel Monetti**, Executive Director, on behalf of the European Cleaner Car Contracts project group, is pleased to welcome **Volkswagen Leasing GmbH - Italy** to the European Cleaner Car Contracts program.

Volkswagen Leasing represented by the Country Manager Dr. **Vincenzo Condorelli**, joins the Cleaner Car Contracts programme from Italy. Volkswagen Leasing pledges to improve the fuel-efficiency of its passenger fleet. To this end, Volkswagen Leasing will strive to reduce the fleet average CO₂-emissions of its newly acquired fleet of 2012 to 130 grams of CO₂ per kilometre (gr CO₂/km). Volkswagen Leasing is therefore awarded the Cleaner Car Contracts Silver Fleet status.

Both parties adhere to the requirements listed in the Annex.
